2. Must be currently competing in a FWBA or FWWBA sanctioned league with a minimum 12 game average as of January 1st.

Average-Averages are for handicapping purposes only. A bowler who does not have an acceptable average as calculated below will not be eligible to bowl in this tournament.

1. Must have a FWBA or FWWBA yearbook average from the previous year, minimum 21 games.
2. Must have a current 12 game average in a FWBA or FWWBA sanctioned league as of January 1st, if no yearbook average from previous season.

It shall be **each** bowlers responsibility to verify the accuracy of his/her average. Failure to use the proper average will disqualify score if submitted average is lower than actual average thereby resulting in a lower classification or more handicap. Any average declared at the tournament that is higher than the actual current 10 pins higher average will not be lowered.

Team Captain's Responsibility- The team captain will be responsible to make any change to the line-up no later than 48 hours prior to their scheduled bowling time. All team captains will check into the tournament office no later than one hour prior to the start of a shift and report any substitutions to the office. Team captains will be responsible to have subs sanction card available to the office. No subs will be used without proper verification of membership in the FWBA. Drawing for lanes will be in team event only and first captain reporting will draw lanes for both teams.

Minor event lanes will be assigned by tournament manager.

Tournament- Eligible bowlers may enter more than once in the 5 member team event. No more than 3 players can compete on the same team more than once. The first score bowled in team will be used in the calculation of **ALL Events.** Bowlers can only compete once in Doubles and Singles. No Singles only entries. Any bowler who place first in All-Events, but has not entered and paid this extra fee, is eligible to receive only the Championship Award for the All-Events. He will receive no All-Events prize money. The ratio of handicap prizes shall not be less than one (1) prize to each five (5) entrants in team, doubles and singles. The ratio of one (1) prize to each ten (10) entrants in All-Events (actual pins).

Tournament Manager Authority- The tournament manager has the right to declare any entrant ineligible to compete in the tournament if entrant does not meet eligibility requirements or if average rules are not followed as stated above. The tournament manager has the right to rerate any bowler that has participated in this tournament for three years and has a minimum of 27 tournament games. The average of the 27 games will be figured and compared to the current tournament entrants average and if previous tournament average is 10 pins higher then current average, then tournament average will be used. Rerating will be done at time of scheduling and bowler may withdraw from participation without penalty as long as the tournament bowling has not begun.
